Membership

While our meetings, programs, and services are generally open to the whole community, Hazelwood Initiative is still a membership organization, and we appreciate that residents, stakeholders, and friends feel invested in our work through your membership.

We also recognize the challenges that the COVID19 pandemic brought upon our community – therefore, **HI will be eliminating our typical \$12 annual membership fee. All that is required for 1 year of HI membership is for you to confirm that you would like to either renew or begin your membership by completing the form below.**

Who's in the Room

Use this space to tell us who you are.

Word Collection

Let's describe the building, businesses, people, and uses both past and present with single words. Write down as many as you can think of.

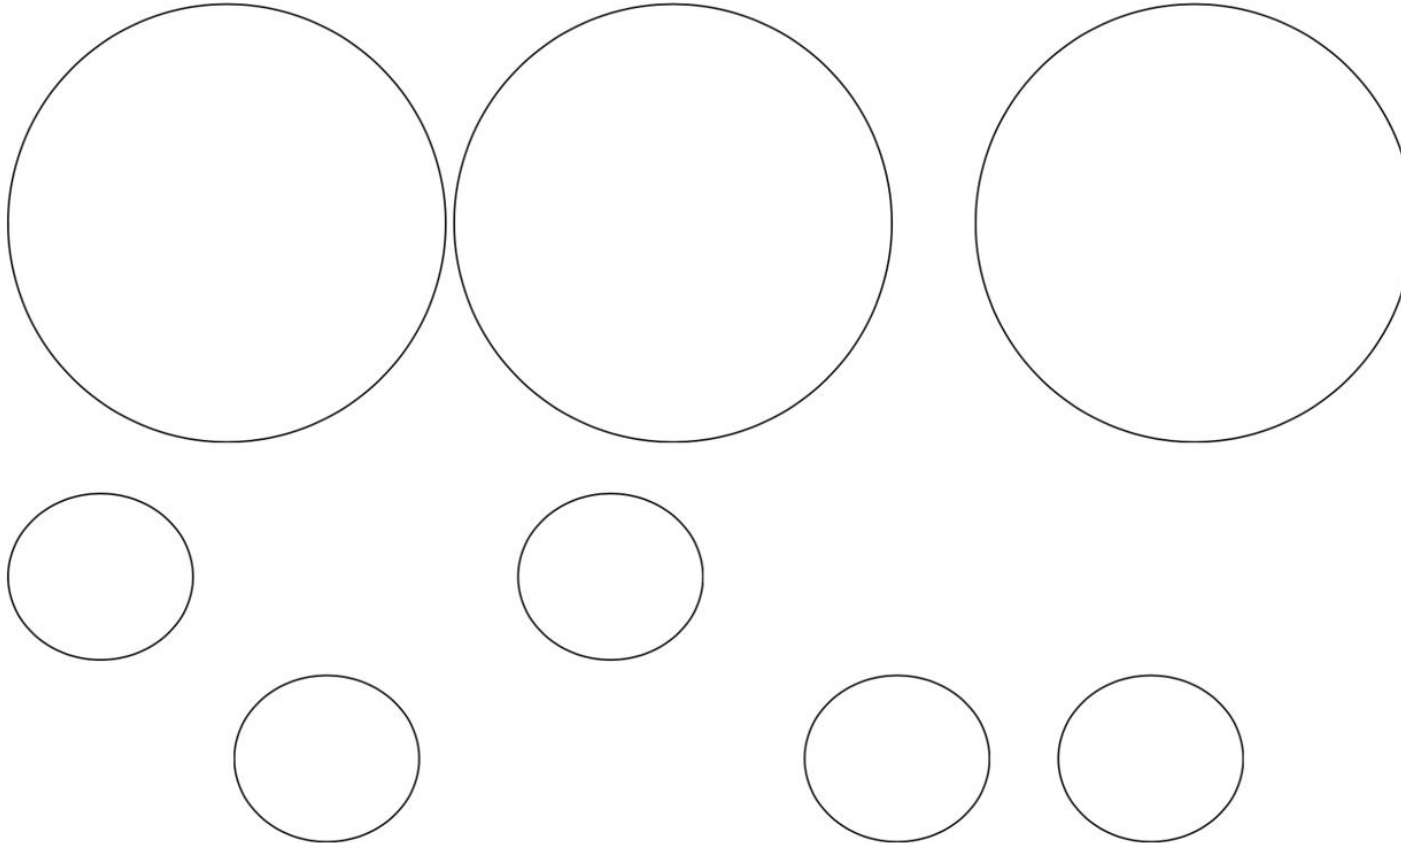

Here are some lines if you like to write on lines.

Here is some open space if you prefer to write free form. Bubble letters are OK! So is cursive as long as we can read it.

Color Selection

What colors suit this art project? What colors do you like? What are Hazelwood's colors?

Use crayons, markers, and/or colored pencils to share your colors. You can fill in 1 circle or more. It's up to you.

Style Preference

Select the styles that you think are best for this art project. Circle 3 pictures.

Theme Identification

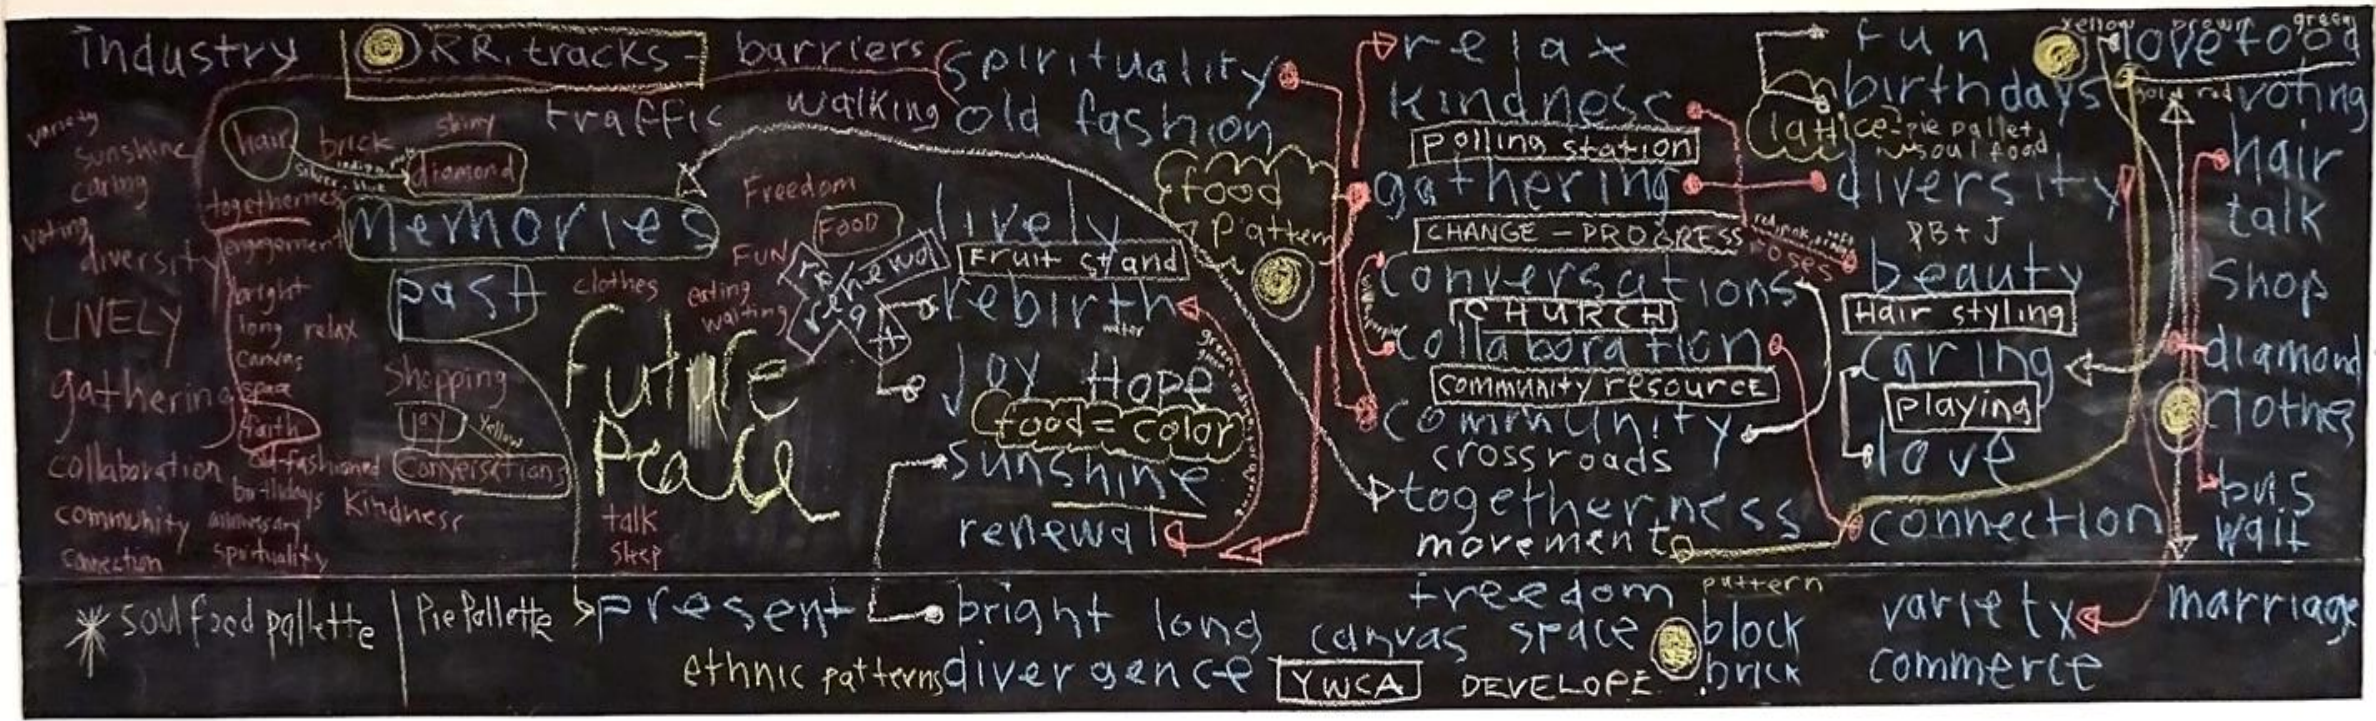

Let's identify some themes building on our *Word Collection* activity.

Here are some lines if you like to write on lines.

Here is some open space if you prefer to write free form. Bubble letters are OK! So is cursive as long as we can read it.

Story Share

Let's use the remaining time to share stories about this location. If you have to go or we have run out of time you can write your story here. Would you rather tell someone your story? Contact Edith by text 412-295-1795 or email edithabeyta@gmail.com to schedule a story sharing appointment.

Homegrown Garden Club

Phipps Edible Garden Program

Homegrown Classes

Join us [online](#) to meet your fellow vegetable gardeners and learn from guest speakers. Homegrown Garden Club meetings are open to everyone – whether you've been gardening for years or you're just getting started! Each class takes place virtually on the second Thursday of each month from 6 – 7:30 p.m. Zoom links will be emailed or texted to you the day before each class.

Herb Class | Jan. 12

It's cold outside, so let's put these herbs to good use! Join us to learn about the versatile ways herbs can be used to flavor our teas, moisturize our skin and round out savory meals. Come with questions about your favorite herbs!

Garden Planning | Feb. 9

Ready to plan for the next growing season? Join us as we go over the planting schedule, the benefits of companion planting, and how to best optimize gardening space.

Indoor Seed Starting Class | March 9

Growing season is almost here! In this class we'll be going over seed starting processes, seed starting dates, the proper materials you'll need.

Perennial Veggies and Fruits Class | April 13

Perennials are the plants that keep on giving! Join us for this class where we will discuss how to incorporate perennial vegetables and fruits in your garden.

In-Person Events
